

## FREE COLORING BOOK AND SCIENCE GAME WORKSHOPS

Here's a unique project created to bring attention to keeping our water clean. "There's A Crystal Clear Pond, The Unseen World Of Water Pollution" workshops are happening throughout libraries in Pinellas County. Open to adults, teens, children, and families. All attendees will get a FREE 32 page coloring book, box of 12 coloring pencils (as long as they last), an Answer Card for a science game we'll play, and a sticker initiating you into the Glenda Goldfish Clean Water Club. Everyone will leave with free goodies, an art experience, and knowledge on how to help keep our water clean.

### WORKSHOP SCHEDULE

Friday, Sept. 9, 1 pm	Oldsmar Public Library
Saturday, Oct. 15, 2 pm	East Lake Community Library
Wednesday, Oct. 26, 4 pm	Gulfport Public Library
Thursday, Nov. 3, 4 pm	Clearwater Public Library
Saturday, Nov. 12, 4 pm	Dunedin Public Library
Saturday, Dec. 3, 1 pm	Tarpon Springs Public Library
Saturday, Dec. 17, 4 pm	Safety Harbor Public Library

Please note: You must attend to get your gifts, and one set per person.
